

RENAULT CAPTUR

December 2022

*Captur E-Tech coming in 2023

SUV with added personality

More athletic and dynamic than ever, Renault CAPTUR boasts a strong SUV identity. The high ground clearance, the iconic two-tone body and the C-shaped LED signature lighting* give it an unmistakable presence on the road.

Technology made simple

With the EASY LINK multimedia system, accessing connected services has never been so simple. It's compatible with Android Auto™ and Apple CarPlay™, so you can easily connect your smartphone and get your favourites apps on the 7"* or 9.3"** touchscreen. Renault CAPTUR comes with 3-year free 4G connectivity allowing automatic maps updates and access to real-time traffic or fuel prices. With the Google Search function you don't need to know the exact address of your destination, simply type the name of the place and the navigation system will find it for you.

Android Auto™ is a trademark of Google Inc.

Apple CarPlay™ is a trademark of Apple Inc.

** 9.3" touchscreen on r.s. line

Always connected with MY Renault

Accessible on your smartphone through the MY Renault App or on a web portal, MY Renault allows you to interact with your vehicle remotely via a range of connected services designed to make your life easier. It will allow you to plan your journeys, locate your vehicle or monitor servicing requirements and schedule an appointment to your chosen Renault dealership.

e-shifter only available on E-Tech engineered
*Captur E-Tech coming in 2023

Discover MULTI-SENSE

Renault CAPTUR offers a driving experience adaptable to your mood. The MULTI-SENSE* system allows you to choose between 3 driving modes (My Sense, ECO or Sport) and 8 different colours for the ambient lighting.

*Standard from Techno

Note: 9.3" portrait touchscreen available from r.s. line

*Captur E-Tech coming in 2023

Make no compromise on practicality

Enjoy a large SUV interior space designed to give you maximum comfort. Make the most of one of the largest boot volume in the category (up to 536L*). The ingenious sliding rear bench can slide 16cm forwards or backwards, creating either more space for passengers or a larger boot. Need to transport long or bulky items? Make room in the back thanks to the folding bench seat to benefit from a huge 1,275 l* of space.

* Petrol versions

Renault CAPTUR E-Tech hybrid*

Renault CAPTUR E-Tech hybrid uses a similar hybrid technology to the E-Tech Plug-in hybrid version. The main difference is the smaller traction battery which doesn't require you to charge it, as it mainly charges through regenerative braking and recovered energy from the petrol engine.

Its two electric motors work together with the petrol engine when you pull away, come to a standstill or when you need extra power in acceleration phases. The result : reduced fuel consumption and improved driving pleasure from the electric power.

Renault CAPTUR E-Tech* hybrid is ideal if you wish to reduce your fuel costs but don't have the possibility to install a charge point at home, or access one at work.

*Captur E-Tech coming in 2023

Renault CAPTUR E-Tech* Plug-in hybrid: electric on demand

Renault CAPTUR E-Tech Plug-in hybrid is the most efficient, yet most dynamic CAPTUR to date. Combining an efficient 1.6L petrol engine with a 9.8 kWh battery and two electric motors, it delivers 160 hp and allows day-to-day full electric driving; ideal for zero emission commuting. On the occasional long journeys, Renault CAPTUR E-Tech Plug-in hybrid will run using both the petrol engine and the electric motors offering unprecedented flexibility. This clever combination is the result of Renault's decade-long expertise in electric vehicles coupled with Formula 1® technology applied to road cars.

*Captur E-Tech coming in 2023

*Captur E-Tech coming in 2023

The best of both worlds

Renault CAPTUR E-Tech* Plug-in hybrid offers all the benefits of CAPTUR and more. Experience a cleaner, more dynamic SUV drive with confident acceleration while lowering your running costs. Charging is also simple: it will take 3h on a dedicated home wallbox. Alternatively, you can also use one of the thousands of public charge points across the UK.

*Captur E-Tech coming in 2023

Cutting edge technology

Renault CAPTUR is equipped with the highest level of technology designed to improve safety. It also features technologies from the class above, paving the way to autonomous driving.

1. Renault Pure Vision LED headlights. Standard across the range, the Pure Vision full LED headlights provide greater visibility at night. With automatic high-beam*, Renault CAPTUR will switch to low beam as you enter a built up area or approach another vehicle.

2. Lane Departure Warning and Lane Keeping Assist. Standard across the range, these driver aids alert you and gently correct your trajectory if your vehicle changes lane without signalling.

3. Traffic Sign Recognition. Renault CAPTUR informs you of speed limits so you are always aware of speed limits.

*Standard from techno

Renault CAPTUR, what makes it stand out?

- It's stylish, with a distinctive SUV look and an iconic two-tone paint
- It's comfortable with a large cabin and a high driving position to dominate the roads
- It's practical with one of the biggest boot in the class and a sliding rear bench

Note: version shown available as mild hybrid only

Colours

- (1) Non metallic paint
- (2) Optional metallic paint
- (3) Optional Renault ID metallic paint
- (4) Not available for E-Tech engineered

Every effort has been made to ensure that the information, descriptions, and images were correct at the time of publication however images may not always reflect the exact version selected. It should be noted that limitations on screen do not permit the subtle paintwork shades on this page to be shown with absolute accuracy.

A large choice of combinations

Customise your CAPTUR with a choice of 8 body colours and a contrasting black roof option.

Accessories

1. Shark Antenna. Add a sporty touch with the Shark Antenna, perfectly integrated in to the shape of your Renault CAPTUR. Compatible with digital audio broadcasts (DAB).

2. Standard Boot Liner. Essential for protecting the boot of your Renault CAPTUR and transporting larger objects. The liner fits the boot of your vehicle perfectly and it's semi-rigid material makes it easy to both fit and clean.

3. Illuminated CAPTUR Door Sills.* An elegant and modern touch everytime you open the doors of your Renault CAPTUR. Finished with the CAPTUR logo, these sills also protect your vehicle's doors from damage.

4. QuickFix Roof Bars. Easy and quick to fit without any tools using the innovative QuickFix mounting system. Ideal for transporting a bicycle rack, ski rack or roof box and increasing the vehicle's load capacity.

* Also available in a non-illuminated version.

Some accessories require the vehicle to be registered before fitment. Your selected dealer will be able to offer further advice on this and provide you with a quote for fitment for vehicles already in dealer stock. Accessories are fitted post production and may have an impact on WLTP fuel (actual) consumption and CO₂ figures.

For more information, consult the Renault Captur accessories brochure. For prices, please refer to Renault Car Price Guide.

Renault Services

5 Year Warranty

Your new Renault is covered by a 5 year warranty package – the first 2 years unlimited mileage and the third, fourth and fifth years are limited to 150,000 km.

5 Year Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 60 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 150,000km or 5 years, whichever comes first). Assistance is provided within the Republic of Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty. For Renault Assistance Terms and Conditions please visit www.renault.ie/assistance

Finance options*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Mobilize Financial Service offers all of them, so whether you're a fleet buyer or private buyer, Mobilize Financial Service is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Customer Relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault Customer Relations Team on 1800 771 771† (Mon-Fri 8.00am to 6.00pm. Closed on Bank Holidays. Live Chat MonFri 8.00am to 9.00pm). You can also visit our website www.renault.ie or write to us at: Renault Ireland, Hendrick House, NVD Complex, Browns Barn, Baldonnell, Co Dublin, D24 KH76.
